

HERCULES (RF) WIRELESS

FOOT SWITCH

LINEMASTER® has entered the Radio Frequency market. The LINEMASTER® trademark Hercules has gotten a new makeover and is now offered as an RF wireless unit. Designed to offer the freedom of wireless while keeping the

heavy duty frame the Hercules offers. With up to 40 feet of range and incredibly long battery life this heavy duty switch can be the solution for multiple applications. Forget the hassle of maneuvering around, tripping over and replacing damaged

cords when you switch to the RF Hercules. This switch retrofits to most existing applications that currently use a foot switch making the transition from wired to wireless a snap. Only from LINEMASTER® - American made innovation at work.
